Dear Sir/Madam,

I am writing to express my strong interest in joining Hamro Patro Nepal as an IT professional. I recently completed my Bachelor's degree in Computer Application (BCA-IT) and possess a range of programming skills, including C, C++, C#, Java, PHP, and JavaScript. Additionally, I am experienced in web application development using HTML, CSS, C#, PHP, and JavaScript, along with creating applications using C# and ASP.NET for web-based solutions.

I have a basic understanding of DBMS, MYSQL, Oracle, and I am familiar with software development tools such as Visual Studio, Visual Studio Code, XAMPP server, and SQL Server Management Studio.

My knowledge of the Software Development Life Cycle (SDLC) and familiarity with Waterfall, RAD, and Agile models make me an effective team player with excellent problem-solving and communication skills.

I am also acquainted with algorithms such as Binary search, Bubble sort, Merge sort, Quick sort, Breadth-First search (BFS), Depth-First search (DFS), Greedy Algorithm, and Dijkstra's Algorithm. Additionally, I have experience with Entity-Relationship diagrams (ER diagrams) and Data Flow Diagrams (DFD diagrams) for database modeling and data flow visualization.

Being fluent in Nepali, English, and Hindi, I can effectively communicate with diverse teams and stakeholders.

Thank you for considering my application. I would be thrilled to discuss how my skills align with your requirements further. Please find my detailed resume attached for your review.

Sincerely,

Yogesh Phuyal
